Unless otherwise noted, RMRG holds training meetings on the 1st, 3rd and 5th Wednesday of each month at 19:30 on the University of Colorado campus in Boulder. Outdoor practices are held on the following Sundays and meet at 08:00 at RMRG headquarters at 3720 Walnut, in Boulder. Due to the emergency nature of our organization practice and meeting times/topics are subject to change, please visit our web page at www.rockymountainrescue.org for updated information. Training meetings start with critiques of missions since the last critique. General public and prospective members are welcome at any training meeting or practice; however, participation may be limited based on skills and ability. For practices, bring gear appropriate for a long day in the wilderness (i.e., boots, extra clothing, lunch, water, over-snow or ice equipment, etc., as appropriate for the weather). Practices usually end between 13:00 and 16:00. Executive Board Meetings (EBM) are held at the RMRG headquarters. Quarterly Business Meetings (QBM) date, time, and place will be finalized by the Executive Board in the month before the QBM and notice will be sent if there are any changes from the above.

 – Note special time

 * Prospective Intro Series. Members may attend but will not receive practice credit.

** No practice credit received for attending. Test Tower Sessions are occasionally canceled for various reasons. Please check the web the night before for the latest information.
