

RMRG Alumni Association

Our Mission

The RMRG Alumni Association (RMRGAA) unites RMRG's rich history with the RMRG of today. Our mission is to enhance and renew the lifelong Rocky Mountain Rescue Group experience for all Alumni. We inspire those that have served RMRG in the past to support RMRG today. We help maintain lasting friendships and build on our shared experience.

Our Goals

- **Maintain Connections**

Maintain connections between RMRG Alumni and RMRG operational members. Maintain a worldwide RMRG family, by providing updates about RMRG today, stories of the past, and opportunities to reunite. Ensure that psychological health support continues for RMRG Alumni.

- **Support RMRG**

Support the team through a variety of ways from assisting with current non-field related operations, to contributing your professional skills for a variety of needs, to fundraising for important projects, to helping with annual events and anniversary celebrations like our upcoming 75th Anniversary!!!

- **Preserve RMRG's History**

Help preserve RMRG's history with written stories, interviews, keeping our RMRG history website updated, and maintaining our historic RMRG equipment and records.

Our Membership

All current and former Operational Members (Alumni) and invited Friends of RMRG.
